

8th Grade Visual Arts

End of project Reflection

Answer each prompt in paragraph form using complete sentences in your DW. Be detailed and specific!

Describe the assignment

What was your thought process for choosing your 3 nets? Why did you choose those specific nets?

Describe what each net is about. What prompts did you choose and why?

What successes did you have with this project? What frustrations did you have with this project?

If you could start this project over again, what would you do differently?
