

Tenth Grade Visual Arts
“Place” Paper Relief Sculptures
End of Project Reflection

Complete all elements of this reflection in paragraph form using complete sentences. Be detailed and specific

Describe the assignment.

Describe your thought process for choosing a place.

Discuss how you went about creating your project. Explain some of your successes and frustrations during the creative process.

Describe your final project including the symbolic significance of the layers of your sculpture. (What do your layers represent?)

Describe something you would do differently if you had the opportunity to complete this project again.
